

RG65 UK National Class Association

RG65 2014 Class Rules Appendix No1

5 March 2021

Amendment to the Number of Rigs allowed

Committee Motion 1 at the 2021 AGM of the RG65 UK NCA proposed a motion to allow a change to clause 5.2.3 of the RG65 Class Rules (2014) that increases the number of Rigs allowed from 3 to 4.

The current clause 5.2.3 states

“The boat could be equipped with up to 3 (three) set of sails A, B and/or C indivisible, which each do not exceed 2250 cm² of total surface.”

The Motion was carried with 89% of votes in favour.

Events organised on behalf of the RG65 UK National Class Association shall therefore amend the Class Rules through the Notice of Race and/or Sailing Instructions to allow up to 4 Rigs to be used during an event by including the following statement.

For this event, RG65 Class Rule 5.2.3 will be replaced with:

The boat could be equipped with up to 4 (four) sets of sails A, B, C and/or D indivisible, which each do not exceed 2250 cm² of total surface

This Appendix applies only to the 2014 version of the RG65 Class Rules and will expire when a later version of the Class Rules comes into force.
